AMENDMENTS TO THE SPECIFICATION

Please delete and replace the paragraphs in the specification as indicated below:

Please delete the paragraph after the paragraph ending at page 9, line 13.

In the paragraph beginning at page 10, line 1:

The four compositions can also be varied to produce varying quality levels and to produce paint compositions[. That is, two or more paint compositions can be produced. These paint compositions may be paint compositions]] that are suitable for either interior or exterior use and paint compositions having various color bases so that they are suitable for use as different types of colors. [[Thus, a paint line including two or more different paint compositions may be produced in which the dried films of the different paint compositions inherently differ materially from each other.]]
